

Prayer Request

- 1) April 9 – 17 is the annual **Khmer New Year**, so school will be on a short break. For local Cambodians and our students, it will be a time of rest and returning back home to spend time with their family. However, for the missionaries serving at HMI, it's a time for us to take care of the school even with limited electricity.
 - a. Having to spend an annual traditional holiday in a different country can be lonesome. **Please pray that we may be able to overcome the environment and serve with joy and peace throughout this time.**
 - b. **Please pray for the materialistic properties** (buildings, cars, basic equipment, generator needed for electricity) of HMI during this time. With a few people around, it could be difficult to look after all these things.
 - c. As our students return home to spend the holiday with their family, **please pray that this may be the time for them to share the gospel.** Let it be the first step to something great.
- 2) On April 20 – 26, a pastor from the United States will be coming to have seminars on the Book of Mark.
 - a. **Please pray for the first year students** (Rotha, Bona, Chandeoun, Sreyon, Sokla, Chhat, Vila, Ly Hor, Chenda, Sony, Kakvey and Kimsey) **to learn more about God during this time.**
 - b. **Pray that they may be able to meet God on a more intimate level.**
- 3) **Please continue to pray for me.**
 - a. With only 2 months left of my missions, pray that I won't lose heart.
 - b. Let me wholeheartedly love on the students and staff
 - c. Truly serve with a thankful heart.

“For to me, to live is Christ and to die is gain.”
